
Colan Totte Co., Ltd., Concludes an Advisory Contract with Sakura Koiwai (Professional Golf Player)

On October 1st, 2019, Colan Totte Co., Ltd., (Headquarters: Osaka, Japan; CEO: Katsumi Komatsu), a manufacturer and distributor of the Colantotte brand of magnetic health gear, concluded an advisory contract with professional golfer Sakura Koiwai, who won the first LPGA title in her professional career at the “Samantha Thavasa Girls Collection Ladies Tournament” this season.

Sakura Koiwai was born in 1998 and is one of the “golden generation” of female golfers. We concluded a contract with her because we were impressed by her ability to achieve steady results and clear the goals in front of her one by one, all while continuing to persevere and overcome the obstacles before her. Colan Totte will lend Sakura Koiwai our full support as she continues to be a major force in the female golfing world.

■ TAO Necklace Slim RAFFI mini

This version of the "TAO Necklace RAFFI" features a slim loop and a compact joint area. It is approximately 45% lighter than the "TAO Necklace RAFFI" with a slim loop that is just 3mm wide. It manages to feel soft against the skin all while containing the same 55mT magnets as before for improving circulation and soothing stiffness.

This magnetic necklace (medical device) contains 55mT magnets spaced 10mm apart throughout the neck loop in Colantotte's unique Alternating North-South Polarity Orientation (ANSPO™). The power of the magnets arranged throughout the loop affects a large area, improving circulation in the neck and shoulders and soothing stiffness.

Japanese Medical Device Certification Number:

■ **What Sets Colantotte Medically Certified Devices Apart...Is the Colantotte's unique Alternating North-South Polarity Orientation (ANSPO™)**

“Experience the Colantotte Difference for Yourself”

The “Alternating North-South Polarity Orientation (ANSPO™)” Makes All the Difference

- Colantotte's magnets are arranged in Colantotte's unique Alternating North-South Polarity Orientation (ANSPO™), which allows their magnetic forces to affect a large area, influencing the whole surface and not just a single point. This layout allows these magnetic forces to improve blood circulation and alleviate muscle stiffness, assisting the recovery process.
- Our authentic health devices are certified as medical devices and improve circulation around the worn area. Simply wearing them in your daily life can liberate you from the pain of stiffness.

■ **Colantotte Magnetic Medical Gear**

Colantotte products contain permanent magnets arranged in the Colantotte's unique Alternating North-South Polarity Orientation (ANSPO™). This arrangement allows the magnetic force to affect a large area to improve circulation and alleviate stiffness at the applied location. It is certified in Japan as an authentic magnetic health device.

In 2005, Colantotte was launched in America under the overseas brand TRION:Z. Professional golfers Rory

McIlroy and Rickie Fowler as well as many other top athletes regularly use this gear to soothe and support their bodies. Additionally, in 2012, one of the Colantotte bracelets was featured prominently as a key story item in the Hollywood movie "The Avengers" as part of a tie-up campaign, demonstrating the recognition of the brand's quality and design not only in Japan, but by many people all over the world.
